

THE PURSUIT INSTITUTE

HEALTHCARE & HUMAN SERVICES

YOUR PATH.
YOUR CAREER.
YOUR PURSUIT.

COSMETOLOGY

Cosmetology offers an emphasis on practical skills and theories including roller control, quick styling, shampooing, hair coloring, permanent waving, facials, manicuring business and personal ethics, and bacteriology and sanitation. Intensive laboratory applications are a required component of this course and may be either school based or on-the-job or a combination of the two. The State of Indiana requires a total of 1500 hours of instruction for licensure, and students may qualify for examination upon completion of the 2-year program.

Cosmetology Esthetician Concentration

The esthetics program is designed to prepare students to take the Indiana State board examination. Students receive training in the art and science of the skin and beautification of the skin. Intensive laboratory applications are a required component of the course. This program requires a total of 800 hours of instruction for licensure.

CURRICULUM

Principles of Barbering & Cosmetology (7175) Dual Credit

Principles of Barbering and Cosmetology offers an introduction to cosmetology with emphasis on basic practical skills and theories including roller control, quick styling, shampooing, hair coloring, permanent waving, facials, manicuring, business and personal ethics, and bacteriology and sanitation. Successful completion of the course requires at least 375 Cosmetology studio hours.

Barbering & Cosmetology Fundamentals (7331) Dual Credit

Barbering and Cosmetology Fundamentals focuses on the development of practical skills introduced in Principles of Barbering and Cosmetology. Clinical application and theory in the science of barbering and cosmetology are introduced. Successful completion of the course requires at least 375 Cosmetology studio hours.

Advanced Cosmetology (7332) Dual Credit

Advanced Cosmetology will emphasize the development of advanced skills in styling, hair coloring, permanent waving, facials, manicuring, chemical texturizing, and hair cutting techniques. Students will also further study anatomy and physiology as it applies to hair care professions. Successful completion of the course requires at least 375 studio hours.

Barbering & Cosmetology Capstone (7334) Dual Credit

Barbering and Cosmetology Capstone builds and improves previously developed skills with emphasis on developing individual techniques. Professionalism, shop management, psychology in relation to barbering and cosmetology, and preparation for state board examination are stressed. Successful completion of the course requires at least 375 studio hours.

Esthetician Program Courses will be denoted on transcripts with (AES)

This program has a time requirement of 800 hours in order to sit for the licensure exam.

The Pursuit Institute (TPI) prepares Hamilton County students for a wide range of high-wage, high-skill, and in-demand careers. We provide robust Career and Technical Education Programs that ensure students have clear connections from the classroom to career. TPI programs position students to be successful in their future and contribute to their families, the community and local economy. Students have the opportunity to gain transferable skills, certifications, dual credit and to demonstrate learning in real-life settings, while meeting new demands in today's rapidly changing workplace for our employer partners. In partnership with schools, we create a talent pipeline of skilled and credentialed students.

Please contact your counselor for more information or to enroll in the program.
